Miss Lautz Talks At Y. W. C. A. Tea

Tells Experiences At Prague
Conference

Miss Barbara Lautz, regional secretary of the national Y. W. C. A., told thirty-five girls at the Y. W. C. A. tea Monday many of her interesting experiences at the Student Movement Conference in Prague, Czechoslovakia, during the summer of 1932. Miss Lautz is a co-chairman of the Student Movement in this district.

According to Miss Lautz, Socialist, Communist, and Fascist delegates gave speeches before the conference. When the Fascist representative started to speak, the Socialist and Communist followers arose in a body, with the exception of one German Socialist, who remained to heckle the speaker, and left the auditorium. This tends to show the spirit which prevails in Europe today.

Miss Lautz was in Berlin when Hitler came into power. She remarked that foreign students are much interested in different interests of the American student, especially his reactions to different world problems.

CHEMISTRY CLUB ELECTS

Officers for the coming year were elected at the third meeting of the Chemistry club this morning. Programs and future plans were also discussed. All students interested in chemistry are invited to join the organization, which sponsors tours to various local industrial and chemical plants.

Ethel Jane Scanlon, '35, member of Sigma Chi Omicron, is at her home convalescing from an appendectomy.

"Most college courses are useless,"—Walter B. Pitkin.

GIRL CHEERLEADERS ADD PEP TO RALLY

Five girl cheerleaders and the thirty-piece band, both appearing for the first time before the student body, added a great deal of pep and enthusiasm to this morning's football rally held in the gymnasium. The entire football team was introduced and Coach Sed Hartman gave a short talk. Robert S. Johnson and Woodrow Tietzort were in charge.

Pep Squad Organized

Maxine Steincamp Elected Per-
manent Chairman Of Omaha's
Pep Organization.

The pep organization, which is being sponsored by the Pan-Hel this year, held its first meeting Tuesday, October 2, in Room 3.

A constitutional committee, consisting of Mary Adams, Dave Phillips, Helen Henningson, Sylvia Silverman, and John Mouchka was chosen immediately and will meet Monday, October 8, to proceed with a constitution.

The basis of representation in the organization is four members from each fraternity and sorority, and a proportional number from the barbs.

Diamond Lectures To Franklin P. T. A.

Miss Ruth Diamond, director of physical education for women, assisted by members of her gym classes, gave an illustrated lecture Tuesday evening for the Franklin school Parent-Teacher association. Her subject was "Health and Happiness Through Play and Pleasure."

The program consisted of four numbers put on by girls in the physical education department. Topsy, a negro dance, by Mary Brown, Mary Maxwell and Maxine Steincamp.

The second number was a tumbling act composed of the following: Mary Hassert, Adelaide Armstrong, Josephine Waite, Ann Raymond, Amy Rohacek, Katherine Stuart, Elizabeth Marshall, Eloise Johnson, Maxine Steincamp, Mary Brown, Virginia Anderson, and Mary Maxwell.

Those in the Mazurka were: Mary Rigg, Eleanor Larson, Jeanne Ross, Sue Hall, Elsie Walker, and Elaine Coulter. The last number, Rhapsody in Blue, was composed of the same girls as the Mazurka, plus Clara Svoboda and Anita Stowell.

Ralph McDonald sang several numbers.

To insure adequate coverage of the Omaha-North Dakota football game, the sports department of the World-Herald provided a direct telegraph wire between the stadium at Grand Forks and the Omaha office and sent a reporter, William Billotte, to report the game.

World-Herald Reporter Tells Of Missing Train After Game At Grand Forks

By Franklin Buxton

How a one dollar bill can be stretched to provide meals and lodgings for two days was told by William Billotte, World-Herald sports reporter, on his return Sunday evening from the North Dakota-Omaha football game at Grand Forks, N. D.

Billotte was stranded in Grand Forks Friday evening after the game when he missed the train bearing the Cardinal football squad to Omaha. He remained at the press box in the North Dakota university stadium to telegraph his story of the contest to Omaha.

Misses Omaha Train

In the confusion that accompanied the team's hurried efforts to catch the train within a half hour after the end of the game, Billotte was not missed until the train reached Crookston, Minn. Here Coach Sed Hartman telegraphed his ticket back to Grand Forks, where Billotte stayed all night with the Western Union operator who assisted him at the game.

Leaving Grand Forks at eleven o'clock the following morning,

KICKOFF AT 2:00

Determined to chalk up a victory before the season gets fully under way, Omaha university's Cardinals meet Coe college of Cedar Rapids, Ia., Saturday afternoon in a game that will be the second contest for both teams. The kickoff is scheduled for 2:00 o'clock at League park.

Coach Sed Hartman's men have a stiff assignment in meeting the Iowans, who heretofore have been considered out of the Cardinals class. Both teams lost their opening games last week. The Omahans showed a world of defensive power in holding the University of North Dakota to a 14 to 0 score, while the Coe team was the victim of an upset at the hands of Upper Iowa, 12 to 0.

University Choir Starts Rehearsals

Several New Members Taken
Into Group

The University of Omaha A Cappella Choir has started rehearsals for 1934-35. This begins the third season of A Cappella work in the university. Mrs. Carol M. Pitts, as director, organized the choir in 1932.

Several new members whose voices attracted much attention in high school work last year have been taken into the choir. Some of them are: Margaret Fry, who won highest vocal rating at Central High; Thomas Jones, bass, who also won highest rating at Central; and Harold Gray, with a rating of excellent at South High. Rehearsals are held twice weekly, on Tuesday and Thursday from 4:00 to 5:30 p. m.

Students need not be enrolled in the university to participate in the choir, according to Mrs. Pitts. The course may be taken with or without credit.

"There is a particularly good soprano section," says Mrs. Pitts, "although the tenor, alto and bass especially need additional members."

GERMAN CLUB TO ELECT

An election of German club officers will be held Monday, Arthur King, '36, president of the club, said Thursday. The German club, sponsored by Miss Eldegard Staus, instructor in German, meets once a month.

The purpose of the club is to promote interest and study in German life and culture. German songs are sung at every meeting.

Howard Fischer, '34, Franklin Judd, ex-'35, and Virgil Sharpe, '38, are appearing at the Community Playhouse this week in Molnar's play "The Good Fairy."

dropped only one game last season, that to the Army by 34 to 0, are the defending champions of the Midwest Iowa conference, and their loss to Upper Iowa was quite a setback to their hopes of repeating their triumph.

The Coe team, coached by Moray L. Eby, dean of Iowa grid coaches, who has been a football mentor for 21 years, fell before the pass attack of the Upper Iowans, and Coach Eby has been drilling his squad long and hard since that game in preparation for tomorrow's battle. The Coe college coach has thirty-two candidates with which to experiment and pick a winning combination.

The Omaha lineup will probably be the same as that of the opening game, with Jimmie James, left end; Ray Francis, left tackle; Noel King, left guard; Harold Johnk, center; Frank Hummel, right guard; Howard Sorenson, right tackle; Bob Elliott or Norman Sorenson, right end; Morris Loder, quarter; Claude Hender and Gene Hoover, halves, and Leo Peary, full.

Scrappy Cards Drop Opening Game, 14-0

Playing a plucky, heads-up game that surprised the Grand Forks fans, who had expected to witness a rout, the Omaha University gridders opened their season last Friday by holding the University of North Dakota to a 14-to-0 score.

Advance notices in the North Dakota papers had predicted an easy Nodak victory by a margin of four or five touchdowns, but the Cardinals surprising defensive strength presented a stubborn barrier to the powerful Nodak backs who attempted to make good on this pre-game dope. Another important factor which the north-ers had not counted on was Morris Loder, Omaha's freshman quarterback, who kept the Dakotans away from the Cardinal goal with long punts ranging from 50 to 65 yards.

The first quarter, during which the Cards carried the ball only once, ended without any score, but in the next period the Nodaks started a series of drives from the Omaha 25-yard line which terminated with an end run over the goal line by Quarterback Campbell. The other score came late in the third quarter when Campbell overcame the stubborn defense with an end run from the eight-yard line on the fourth down.

The Cards did little ball-carrying in the contest, playing a kicking game and waiting for the breaks. But the Nodak backs were too adept at handling the rain-soaked ball, and it was not until late in the fourth quarter that the Omahans threatened with an advance that carried them to the Nodak 10-yard stripe.

Extension News

Since the University of Omaha initiated the idea and began offering a course in the "Art and Technique of Book Reviewing" two years ago, expectations have been more than realized. The course has been offered four times, each time with increased interest.

One of the significant outcomes of the project has been the development of an increased measure of critical mindedness toward the book review itself as well as toward the competency of the reviewer.

In response to the continued interest in this field and to the numerous specific requests for the course, the University, through the Extension Division, is pleased to announce that Mrs. Gearhart will again offer her course in the "Art and Technique of Book Reviewing."

The course for this semester began on Thursday afternoon, October 4th, at three o'clock, and will continue for eight successive Thursdays. The class will meet in the parlors of the University Woman's Building.

Miss Virginia Hallock left Sunday for McAllen, Tex., to visit her parents. She will remain until after Christmas. Eleanor Larson, '35, is taking Miss Hallock's place in the registrar's office.

Ripe home-grown tobaccos

We begin with the right kinds of mild ripe Domestic tobaccos. Then we age and mellow them like rare wines for flavor and taste.

Aromatic Turkish tobaccos

Next we add just the right kinds and the right amounts of Turkish tobaccos to give Chesterfield the "seasoning" that helps to make them taste better.

Blended and cross-blended

Finally we "weld" these tobaccos together the Chesterfield way—different from any other—to make Chesterfield a milder better-tasting cigarette.
